On behalf of the Eastern North American Region (ENAR) of the International Biometric Society, we would like to invite you to support the ENAR 2017 Spring Meeting. The conference will be held **March 12-15, 2017** at the **Washington Hilton in Washington, DC**. The meeting, held jointly with the American Statistical Association (ASA) and the Institute of Mathematical Statistics (IMS), has a broad spectrum of invited paper sessions, short courses, tutorials, and a contributed poster session. With approximately 1,250 attendees, this promises to be another of ENAR's intellectually stimulating meetings.

Exhibitors at the ENAR Spring Meeting are invited to participate in program events and are provided with multiple opportunities to network with conference attendees. All refreshment breaks at the ENAR meeting are held within the exhibit area to facilitate interaction between vendors and participants.
