SPONSORSHIP, EXHIBITOR, & ADVERTISING OPPORTUNITIES

On behalf of the Eastern North American Region (ENAR) of the International Biometric Society, we would like to invite you to support the ENAR 2017 Spring Meeting. The conference will be held **March 12-15, 2017** at the **Washington Hilton in Washington, DC**. The meeting, held jointly with the American Statistical Association (ASA) and the Institute of Mathematical Statistics (IMS), has a broad spectrum of invited paper sessions, short courses, tutorials, and a contributed poster session. With approximately 1,250 attendees, this promises to be another of ENAR's intellectually stimulating meetings.

Exhibitors at the ENAR Spring Meeting are invited to participate in program events and are provided with multiple opportunities to network with conference attendees. All refreshment breaks at the ENAR meeting are held within the exhibit area to facilitate interaction between vendors and participants.

ENAR recognizes that the support of our exhibitors and sponsors is critical to the success of our conferences and to the organization. We have created a variety of high-profile sponsorship opportunities that will maximize your participation at the meeting. **If you are interested in becoming a sponsor of the ENAR 2017 Spring Meeting, please contact Kathy Hoskins, ENAR Executive Director, at: khoskins@drohanmgmt.com.**

We also offer the opportunity to advertise in online version of the Program & Abstract book or a splash advertisement on the ENAR Meeting Mobile App.

We hope you will take this opportunity to be a part of our ENAR 2017 Spring Meeting by choosing to become an exhibitor, sponsor or advertiser. **Please review the enclosed forms and return them by **January 10, 2017**.**

**We look forward to seeing you in
