

ENAR 2026 SPRING MEETING

DATAFEST

2026

CALLING ALL STUDENTS!

Degree candidates at an accredited institution in any term during 2025-26 academic year are invited to participate in the ENAR 2026 DataFest event. Student teams will work with one of the datasets provided for this competition to answer an important scientific question. The statistical analysis should consider a problem, issue or policy question relevant to the problem statement.

We are also looking for ENAR members to serve as Mentors and Judges.

DEC 5

**DATAFEST TEAM, MENTORS &
JUDGE INTEREST FORMS DUE!**
